Felixstowe Ferry Sailing Club was founded on the principle of promoting sailing and other water sports for all to enjoy. This has remained the driving force behind the running of the club by its many keen volunteers, some of whom will again be on duty in the run up to and during the Felixstowe Regatta. The Regatta has become the premier yacht-racing event on the East Coast, and one that we are proud to support. We wish all those participating in the event, on or off the water, a thoroughly enjoyable weekend.

The Royal Harwich Yacht Club is delighted to be keenly associated with the Felixstowe Regatta. The Club's object is to encourage yachting and yacht racing on the East Coast and this regatta fills that criterion admirably. The Club has its headquarters at Woolverstone on an exceptionally pretty part of the River Orwell; we have marina berths and moorings available to both members and visitors, and excellent catering facilities which are open seven days a week in summer months.

Waldringfield Sailing Club is delighted to be involved with the East Coast's most important Yacht racing event where all classes can compete in our local waters, bringing competition on the race course and friendship ashore. W.S.C. is dedicated to the promotion of sailing in general and racing in particular, with emphasis on encouraging everyone, both young and old, to race. The club places great emphasis on encouraging our junior member through the Cadet fleet. The club is extremely proud that our philosophy has produced so many national and international champions. WSC wishes all involved with the Felixstowe Regatta a great weekends racing.

The Felixstowe Regatta undoubtedly is the premier event in the East Coast's Yacht racing calendar. Walton & Frinton Yacht Club is proud to have been one of the organising clubs since its very first regatta. W&FYC has a small, but very successful, core of racing yachts. We always look forward to the Felixstowe Regatta for the opportunity to compete against the East Coast's finest in our home waters. We wish you all fair winds and the very best of racing.
