

Supported by Adnams, in association with Suffolk Yacht Harbour

A warm welcome to the Felixstowe Regatta 2011, we look forward to greeting old friends and meeting new yachts, skippers and crews at this important Event, now firmly established in the East Coast Yacht Racing calendar and an integral contributor to the SailEast Championship.

The Racing Programme will be a repeat of the successful revised format of 2010 and we have requested the same ideal weather conditions! IRC Rated Yachts will have class divided starts and there will be races for Locally Handicapped Yachts, either with or without "Gentleman's Class" spinnakers, a popular and growing sailing attraction. We will, again, host the J80 Eastern Championship within the IRC Classes and expect the return of the MOCRA Multi-hulls, who relished their racing in Dovercourt Bay last year.

Sad to say, due to economic circumstances, this year we are without a principal sponsor; so if anyone reading this would care to support the Regatta financially, or could effect an introduction to a potential sponsor, then please contact me. Enough of gloom! Adnams and Suffolk Yacht Harbour have increased their support and with a dip into our cash reserves, built up for just such an eventuality, both on the water and Shoreside, there is no change in our philosophy, put simply, a first class event for you to enjoy.

My thanks go to all the volunteers, as without whose time, work and miscellany of skills both on and off the water, our Regatta could not happen. New blood is always welcome and this is an opportunity to invite anyone interested in helping - with any aspect - to please have a word with one of the Regatta Team.

We hope, like all the Regatta Team, you are looking forward to a great weekend of competitive racing, plus the enjoyable atmosphere of the social programme, which is, as ever, as much a part of the Event as all the on-water excitement.

We will, of course, endeavour to make this a Weekend to be remembered in all respects.

Peter Cockayne

Chairman of Felixstowe Regatta Organising Team

Sailing and Racing Programme

(Race Programme subject to change)

Friday 8th July
